FROM OUR LOCAL COUNCILLORS

**STREET LIGHTING FOLLOW-
UP: ALL VILLAGES**

A huge number of lessons have
been learned from the street
lighting work carried out in
Meldreth and Melbourn, where
individual case work is still on-
going. Senior officers at
Balfour Beatty resigned
following difficulties in
implementing the County
Council's street lighting
contract in our area and the
new team has been receptive to
concerns, particularly around
communication and public
safety.

Meanwhile, Foxton, the
Chishills, Heydon and Shepreth
are all scheduled for work next
year, and it is probably worth
checking out this website for
details already posted on
proposed individual lighting
changes, timing, etc:

SOUTH CAMBS MAGAZINE

You should have received the
Spring copy of the South
Cambridgeshire magazine. **If
you have not, then please let
Jose know.** There is increasing
evidence that quite a few
households have not been
getting their deliveries since a
new delivery company took
over. In a bizarre twist the
Council is asking residents who
have not got their editions to
contact the delivery company
direct. The message is
published in the magazines
you've not had delivered.

MORE CHOICE IN SOCIAL CARE

Social care is provided to people who have been assessed as having substantial or critical support needs with personal care, getting meals, managing medication and staying safe.

If you need social care, the County Council will arrange your care for you, but they now have a duty to offer and provide Direct Payments.

Direct Payments are an alternative way of getting the care and support you need. They are cash payments made directly into a Direct Payment bank account so that you can use the money to make your own
