CONGRATULATIONS

to Ollie and Simon who ran the London Marathon last month in only 4hours 20min, despite the throng.

OUR PARISH CLERK IS MOON WALKING

A couple of years ago I entered the Moonwalk with a group of friends. This year I decided to enter again; the difference being, I have trained solo and am doing the event 'on my own' so to speak. If the you do not know what the Moonwalk is, it is several thousands of women and men, power walking a half or full marathon around London, wearing decorated bra's and we start from 11:00pm onwards on 10th May and finishing in the early hours of Sunday 11th May. I have decided to do the full marathon (which I did last time). We are all raising awareness and valuable funds for Breast Cancer. If you could sponsor me, I would be so grateful. The link to my page is below, or I have a sponsorship form here.

Thank you so much for reading this. Sarah

RESULT!

Approximately 100 runners entered and we estimate from pre-registers and on the day entries that approx £1000 should have been raised.

A SEASONAL REMINDER

Now the plants are coming back to life, it's time to keep an eye on your trees or shrubs that are likely to obscure signage or block public footpaths and then prune them where and when necessary.

FROM OUR LOCAL COUNCILLORS

ANNUAL A10 CYCLE RIDE

Sunday 18 May
 The annual A10 Awareness Cycle Ride will take place on Sunday May 18th.

Two cycle groups will set off simultaneously at 10am, one from Trumpington Park and Ride and one from Royston Heath, convening at Phillimore's Garden Centre at around 11:15. Julian Huppert MP will see off the Trumpington cyclists, while Oliver Heald MP hopes to see off the Royston cyclists. Once again, we are very grateful to the Clark family for allowing us to gather at Phillimore's. We'll be a bit further back from the road than last year, in the field on the left as you come in. Tea and cake will be provided free of charge, thanks to a grant from JR Tech in Shepreth. The ride will proceed at a leisurely pace, the idea being to highlight the need for a safe and good quality off-road route between Royston and Cambridge and the villages in between. In February of this year, a one-kilometre stretch of new off-road cycle path was completed along the A10 between Shepreth and Foxton, thanks to a Cycling Ambition grant from central government. Last

month, Cambridgeshire County Council submitted a bid to the government's Local Sustainable Transport Fund, for an off-road path connecting Melbourn and Royston. A third stretch of off-road path connecting Hauxton and Harston, through the new Trumpington Meadows Country Park, is now under construction. Hertfordshire County Council is now conducting a feasibility study for a safe crossing over the A505 roundabout. Membership is free - more at www.a10corridorcycle.com.

Questions for your Councillor?

We hold a drop-in advice surgery at the Melbourn Hub on the first Monday of the month, 2:30-3:30. The Melbourn Hub is in Melbourn High Street, opposite the High Street public car park.

As May 5th is a Bank Holiday, the surgery moves to May 6th, Tuesday. Back to normal in June with the first Monday, June 2nd.

As always, if this is inconvenient, please get in touch and we can make an appointment to meet at another time or closer to home.
