BELLRINGING STALL AND TOMBOLA AT THE CHRISTMAS CRAFT FAIR

We will be running a tombola again this year as it proved so popular last year. The Bell Restoration Project needs to continue to raise funds to make some modifications to the ringing chamber (the place where we stand to ring the bells). We would be grateful for donations of bottles for the stall or items suitable for children to win. We will not be going round the village collecting them this year, but would ask you to give your donations to any of the bell ringers or bring them along to the church when we are practising - most Wednesday evenings.

VILLAGE ADVENT CALENDAR.

For the last two years a number of villagers have volunteered to decorate one of their windows. With a new window "opening" every day during December, these wonderful displays have provided great interest to the many of us who walk around every day just to see the latest offering. This year's theme will be your own Christmas choice. Tess has kindly volunteered to coordinate the windows again this year and she will endeavour to make a quiz about each window, publishing the date and address of each window but not its title. If you are willing to participate please let Tess know ASAP, and by 21st November at the very latest, so that we can meet the deadline for the printing of the December edition of this newsletter. A VILLAGE HUB

Is there anyone out there who is suppressing a hidden talent and would like to use this to contribute towards a Village Hub in the Schoolroom? It could be poetry, art, cookery, cards and creativity in any form, to complement what is already in place (film nights, Scottish dancing, wine tasting, a place for meetings) and the wonderful music and concerts that are being arranged in the village.

Please email any thoughts and comments in the first instance to tessgent@gmail.com

ADOPT A BOTTLE AND SAVE PLASTIC!

We are exploring the concept of joining the refill revolution and making sustainable shopping possible in our community. We are wondering about dry foods and household liquids sold by weight and volume. Villagers could refill and reuse their empty containers. If you have any suggestions or comments about this please contact me, Will Parsons.

SCOTTISH DANCING

Monday Nights 7.30 pm in the URC schoolroom. It is never too late to join us as we always revisit dances and slowly introduce new ones. Very lighthearted and good fun.

CHRISTMAS WREATHS

If you would like a wreath please let Tess know in advance, otherwise it will be pot luck at the Christmas Craft Fair.
